## OUR STRATEGIC OBJECTIVES ARE:

- To operate financially viable independent school
- To provide quality education and social support to learners
- To employ, develop, satisfy and retain committed and qualified staff
- To continuously strive to exceed the expectations of parents; and
- To contribute to the development of the communities in which we operate

## OUR STAKEHOLDERS

Through committed and qualified management Royal Schools have developed to satisfy the needs of all stakeholders, including the GDE, parents, learners, staff, and the broader community which we serve.

## WHY YOU SHOULD CHOOSE ROYAL SCHOOLS?

- **A convenient location...** The schools are conveniently located:  
614 Pretorius Street, Arcadia, Pretoria  
310 WF Nkomo Street, Pretoria  
Corner of Klip River and JG Strydom Drive, Albertsdal  
Corner of Lemon Shark & Kingfish Streets, Watervalspruit, Alberton
- **A Safe environment...** Our neat and modern buildings with access control provides a safe and secure environment to give parents the peace of mind that their children will be safe and secure.
- **Qualified staff...** All our academic staff are committed, suitably qualified and are registered with SACE (South African Council of Educators).
- **Academic excellence...** Academics is our first priority. We have a passion for education and we are proud to offer quality education to our learners. The Schools are registered with the Gauteng Department of Education. We aim to keep class sizes between 20 and 30 learners, depending on the subject and grade. This provides the opportunity for individual attention to our learners.
- **Affordable school fees...** We aim to operate financially viable schools, while providing quality education at the most affordable rates. This implies that the payment of school fees is compulsory in order to manage the school effectively and efficiently (Please refer to our application forms for our fee structure). The School is registered as nonprofit company (NPO) and is also registered as a Public Benefit Organization (PBO).

- **Sport and culture...** Although the main focus is to provide academic excellence, we also give learners the opportunity to take part in a range of sport and cultural activities. These include: athletics, netball, basketball, soccer, choir, Eisteddfod.
- **A culture of discipline...** All learners are expected to adhere to the disciplinary code (Code of Conduct) and the rules of the school.
